Re: Oak Forest Homeowners Association v. Paul Dennison
Appellate Case No.: 23022-000708

Dear Clerk:

On July 14, 2022, we received the transcript from Sunny Fry. However, the hearing was held during the "quarantine" time and the court held all of the exhibits to the transcript. At this time the appellant's counsel is requesting an additional 30-day extension to file the Appellant's Brief and Designation of matter to give counsel time to go through the file and find all exhibits to the transcript.

Should you need anything else, please do not hesitate to call me or my paralegal, Jordan. With kindest regards, I remain

Very Truly Yours,

Angela D. Harrison
