SC Court of Appeals Hey!

How Are ya'll? I hope well. me okay besides being in this cage. I got ya'lls mail today 7/8/22 AND I WAS hopping for some good news. But I guess a little news is good news, atleast ya'll gave me the time to respond. I've already gave to my PCR AND WAS turned down for A over turnal. I really ~~is~~ need some help in my case I don't ~~want~~ want to walk out of here a old man or carried out being lifeless. My whole life has changed sence being here I know this isn't my first time, but this time it really got in my head. I have people who love me AND I love them more than words ~~for~~ CAN SAY.

They are getting older AND I don't want to lose anyone or anything else ~~whit~~ while here. I lost mom sence I've been here AND I CAN'T put her to rest in my mind intill I'm free I only have my word left every-thing else ^{has} ~~has~~ been taken AND my

word is if ya'll could help a little
I would spend the rest of my life
giving to the community

I need some help. I'm begging for a
way out of this. When all this went
down I was very bad mental AND
when the detectives came here I was
not in any state of mind to talk to
them. They had not much to go on
infill they seen me. I don't really
remember this crime because I had
been drinking all night AND not taken
my meds properly. The detectives told
me if I would ~~to~~ tell them the
story like they wanted it to be told
they would not ask for anymore
time than I was already doing. So
I said okay. They say I got ^{cut} ~~cut~~ at
the scene, but I don't think I did AND
if they had my DNA on the scene
they wouldn't have need a statement
~~to~~ from me or my codefendant.
Also they took DNA from me if they
already had it at the scene they

wouldnt
would have needed more from me
before the warrants came.

If they had it way get it ~~again~~ again
because they had nothing. I helped
law enforcement to bury me and my
codefendant. He only got 8 years non
violent and has been released and
back and fourth after that.

The only reason I plead to this crime
is because my lawyer brought in my
codefendants lawyer to help ~~and~~ me
~~escape~~. Well they said if I plead out
they would get me 15 non violent or
less and being I had Grady's lawyer
I thought he was going to help me
like Grady. I was lied to and
tricked all the way. Well whatever
happens I got GOD in my life.

I really have changed since I found
GOD and some real good meds my
doctor gave me. my head hasnt
been this clear in years. They say
guns were involved but the mans
house that was broke into made a

~~stated~~ Statement AND SAID nothing about guns being sold. Also Grady's lawyer that's my codefendant's name. Anyway his lawyer is best friends with the man's brother of the house. So I know he wanted someone to pay for it. Please give me a hand. Also the two lawyers told my aunt they were going to get me 10 years now violent so she didn't even need to come to court. I guess that's ~~it~~ it for now. HELP

ME

Ashley

P.S. By the way I am a white male.
Y'all had Mrs Ashley Proctor.

That's okay it happens all the time.
