Re: James Primus, #252315 v. SCDC (7)
Appellate Case No. 2021-000879

Dear Mr. Primus:

The Court is in receipt of your corrected supplemental record on appeal that is presumed to be in response to the Court's deficiency letter dated August 3, 2022. The deficiency outlined in that letter has not been corrected. Your page numbers are not consecutive throughout the supplemental record on appeal. Your index states that most of the documents are "1 of 16, 2 of 16, etc." but you have more than 16 pages total in your supplemental record on appeal. Old page numbers may not be used due to the inclusion of multiple documents that do not have the same page number style. New consecutive page numbers must be listed on the index and on all of the documents included in the supplemental record on appeal. Your corrected supplemental record on appeal is being returned to you. This is the Court's second request for these corrections and failure to comply within ten (10) days from the date of this letter will result in the Court not considering the supplemental record on appeal.

Very truly yours,

CLERK
