APPELLANT'S COUNTER CLAIM TO RESPONDENT'S REPLY
TO APPELLANT'S BRIEF

Appellant, Terence L. Rush, makes this counter to Respondent's Reply, stating the following:

i. Taking the Appellant's Complaint as true and all exhibits submitted, there was never any probable cause presented to a South Carolina Magistrate before any search/seizure was executed to get a signed warrant for a Corey Pena, a white male, or a Corey Pena as a black male at 2809 S.C. Hwy 66, Whitmire, S.C. 29178 to have deputies there to harass any black male at that address for his identity when beforehand there was never probable cause submitted to a South Carolina Magistrate prior to their search/seizure only after the fraud had been committed. Does exhibits show a S.C. Magistrate finding probable cause, not prior, but in violation of and against all FOURTH (4TH) AMENDMENT Constitutional guarantees and protections in the Constitution for the United States of America's Citizens applicable to the states thru the FOURTEENTH (14TH) Amendment in the Constitution for the United States of America

and to this Appellant, a member of Prosperity of his antecedent Gentleman Benjamin Rush, a signatory to the Declaration of Independence the precursor to our Evergreen Contract the Constitution for the United States of America.

FURTHERMORE, Appellant sayeth not..

with kind regards, I am,

Terence L. Rush
