**Re: Joseph Chakyng Sun, et al., Appellants v. Bluffton Park
Community Owners' Association, Inc.**
Matter: 2021-000434
My Client: Bluffton Park Community Owners' Association (Respondent)

Dear Ms. Burns:

Please accept this cover letter and resubmitted Supplemental Record on Appeal in whatever way you deem most appropriate, whether it be a Rule 212 Motion, a Final Supplemental Record on Appeal, as an Amendment to Appellant's Record on Appeal, or however else makes sense. My original intent in submitting the Supplemental Record on Appeal was to expedite resolution of pro-se Appellant's deficient submission. By way of further explanation, Appellant Sun did not include in the Record on Appeal several matters which I had designated previously. For that reason, I chose the index style that I did, though I acknowledge that I erred in not breaking out the different categories of documents, and I apologize. I am glad to make any further changes as you may require.

Thank you in advance for your time and consideration. With kindest regards,

Sincerely,
