Re: Jeremy Wilson v. Jeffrey Hedges
Appellate Case No.: 2021-001096

Dear Ms. Kitchings:

The Respondent respectfully requests a thirty (30) day extension to file his initial designation of matters and responsive brief in this matter. This is the Respondent's first request for an extension in this matter. The basis for this extension request is there is a pending Motion in a separate matter involving the parties to this matter that may impact the issues raised in this Appeal. The outcome of this Motion may also necessitate the alternative dispute resolution process without the necessity of proceeding with this Appeal. The current deadline to file is September 6, 2022. If the extension is granted, the new filing deadline would be October 6, 2022. I have enclosed the corresponding \$50.00 filing fee and have copied all counsel of record on this correspondence to advise them of the same. Thank you for your attention to this matter.

VERY TRULY YOURS,

Beau B. Brogdon
