Re: Richardson v. Mt. Pleasant Squares Associates, II, et al.  
Case No.: 2018-CP-10-03286

Dear Ms. Kitchings:

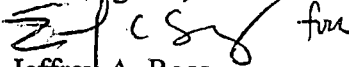

My assistant spoke with Elizabeth in your office earlier today regarding the preferred process for filing a Notice of Appeal. She knowledgeable and kindly explained that if we do not already have an e-filing account through AIS for the Court of Appeals, email is accepted as formal filing and service, and that a hard copy should not also be mailed to avoid duplication on your end. In that regard, enclosed for filing please find our Notice of Appeal (with exhibits) and Certificate of Service of same in connection with the above-referenced matter.

We will mail our check for the \$250 filing fee today together with a copy of this letter without attachments so as not to cause any duplication on your end. We would greatly appreciate you returning a filed copy of these documents to us via email.

We were further advised by your office that so long as we provide proof that it is been e-filed in state court, it does not matter in which order we file it with which court. Therefore, for the sake of efficiency, we have already filed this correspondence with all documents and exhibits in State Court and are attaching proof of that filing for your records. If there is anything additional you need from us, please do not hesitate to let us know.

By copy of this email to counsel of record, we are hereby serving them with a copy of the same.

Best Regards,

  
Jeffrey A. Ross
