APPELLATE CASE NO. 2021-001449

S.C. SUPREME COURT

MOTION FOR TIME EXTENSION TO
SERVE AND FILE JOHNSON PRO-SE
RESPONSE

Pro se petitioner, Mark Allen Bradberry, comes before this court today requesting a time extension to file and serve his "Johnson" pro-se response in the above captioned case. In support of this motion petitioner submits the following facts:

1) Petitioner has no understanding of the law and considering he was not expecting a no merit brief to be filed in this case due to his actual innocence he desperately needs more time to research the issues he will need to present.

2) Due to Covid-19 and other movement restrictions on his institutional yard, petitioner needs more time to prepare his pro-se response, also due to current covid-19 lock down.

Conclusion

In light of the above mentioned facts the petitioner respectfully request this court to grant this

motion, giving petitioner 30 more days time to file and serve his Johnson Pro-se Response.

Respectfully Submitted,
Mark Allen Bradberry
