

The South Carolina Court of Appeals

The State, Respondent,

v.

Joshua Jacques Tolen, Appellant.

Appellate Case No. 2022-000335

ORDER

Appellant has filed a motion to reinstate this appeal, which we construe as a petition to rehear the dismissal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
