RE: Newrez LLC v Richard .A Bembridge
Appellate Case No.2022-001089

Amended Motion To Stay

To The South Carolina Court of Appeals

I Nataijah S Fields (tenant) appearing in proper persons and proper status am requesting a motion to stay at the property located at 26 Heritage Hills Columbia SC while the decision for an appeal is being determined .In this particular case:2022-001089 a writ of assistance as well as a "set out" date has been scheduled for September 6th, 2022 . The reason for this request is to provide for myself and my toddler aged children a chance to present in the court of law any claims of ownership as well as invoices, bills, receipts ,etc that reveal the constant upkeep and monetary investing that went into this property which served as a home for my children and i beginning in March 2021 and removing them abruptly from a place that these two small children (ages 2&4) have called home for the last 18 months would be devastating,not to mention that it would financially impact us in an adverse way .

I declare that the foregoing is true and correct

Nataijah S Fields
