RE: Newrez LLC v
Richard .A Bembridge Appellate Case No.2022-001089

Motion To Waive Fee

Dear South Carolina Court Of Appeals,

I Nataijah S Fields (tenant) appearing in proper persons and proper status am requesting that the SC court of appeals grants a "motion to waive fees" associated with the process of my appeal in addition to my "motion to stay" due to my current limited sources of income . As of August 2021 due to the pandemic I lost employment after 8 years of service at Wells Fargo bank and am currently receiving public benefits to stay afloat until employment that meets the financial criteria to

support my children and I are regained .Attached is a copy of a current "SNAP ebt
"card to show proof of limited sources of income .

Sincerely
Nataijah Fields
