I'm sorry but I'm at work, and I cannot talk on the phone. I understand what you said you said you're not going to get started with the transcript until I give you the money, that you're asking for. I'm requesting the entire copy of the transcript please let me know when it's ready.

Thank you.

Hi Karen.

I understand that you want the full transcript, and if you read my letter, I am asking for upfront payment for the transcript in the form of a cashier's check or money order.

Ms. Polite,

I will not begin working on the 4/11/22 hearing transcript until your payment is received in full. If you decide you no longer want a transcript and the transcript has not been completed, I will only charge you for the pages I have completed and supply that portion of the transcript to you, and I will refund the difference. A sealed original transcript will be mailed to you and an electronic copy of the transcript will be emailed to you once the transcript is complete. Payment will need to be in the form of a money order or cashier's check. My address is below. The amount due is \$1,572.

Thank you,
