

Documents to Provide for Rule 209

1. Hospital Record – Ortagus Bennett
 - a. Indication that original x-rays were never provided to determine if x-rays were taken properly or they missed the broken bone in face.
2. Full Incident Discovery
3. GCDC Kiosk Compliant
 - a. To provide proof that rights were denied for medical access due to the fact that staff thought I was making false complaints which resulted in me not receiving the proper treatment
4. Attorney email from Heather Hill with Savage Law Firm
 - a. Proof of my attempt to seek legal assistance for medical malpractice but faced difficulties due to the pandemic
5. Pro Se Motion filed with the Thirteen Circuit Court
 - a. Motion was filed to address attorney availability. I was also never advised during the filing that my first course of action was to file a notice of intent before filing the summons and complaint.
6. Original medical malpractice lawsuit
7. Expert reports from the following:
 - a. Dr. Marshall White who provided the first indication that I was improperly diagnosed and that medical malpractice occurred and the details
8. Medical malpractice order from the judge
9. Medical malpractice reconsideration motion
 - a. Which states that we still would have had the opportunity to amend the existing suit and provide a NOI considering that we were still within the statutory time limits
10. Inv supplemental discovery from Inv. Walters. Made his own discovery and fabricated what took place which led to me being arrested along with the alleged victim portraying that he was shot will running which was not accurate based on facts from Mr. Wilson's hospital report that determined that all wounds were front entry wounds. In the initial report, the alleged victim did not want to press charges which led to being treated like a criminal and being held without a bond and not receiving the proper treatment.
11. COVID 10 results – Ortagus Bennett
12. Fredrick Wilson's initial statement from the Supplemental Discovery
 - a. Provides incident details
13. Expert results from Robert White
