Mr. Clemons,

In response to your voicemail today, Tuesday, August 30, 2022, I am not sure why Court Administration would tell you we have the information to give you regarding the recording of the transcript. The only thing our office can give you are the directions from Court Administrations website on how to obtain a transcript. Please see the below information from https://www.sccourts.org/cr/transcript/ There is a link to their form within the text of the instructions, but I am also attaching a copy to this email. You will need to follow the instructions from SC Court Administration.

How do I obtain a transcript?

Anyone who is a party or an attorney interested in obtaining a transcript from a court proceeding in Circuit or Family Court must order the transcript in writing by contacting the court reporter assigned to record the proceedings. If the requestor is a non-party, the court reporter must get a court order to provide the transcript. You may request a transcript by completing this form and emailing it to South Carolina Court Administration at transcripts@sccourts.org and to the Court Reporter. If you are requesting a transcript from court proceedings in Municipal, Magistrate, Master-in-Equity, or Probate court, you must contact that court directly.

The following instructions explain how you can find the Court Reporter's email address and mailing address.

- 1. Hover over the calendar drop down menu on the far right of the top menu.
2. Click "Terms of Court" in the drop down menu.
3. Select the circuit/ county where the term was held.
4. At the top of the following page, you can select the month and year when the court was held.
5. Once the correct month and year is selected, click the "Go To Date" button.
6. After the page loads, you will see the terms separated into weeks for the month. Circuit court will be in the top section and Family court will be in the bottom section.
7. Find the day and the Judge who presided. You will see the court reporter's last name below the Judge's name. Click on the court reporter's last name to open their information page.
8. Once the page has loaded, you will find the court reporter's full name, email address, and mailing address.

Once your request is received, court reporters should acknowledge your request in writing within five business days, advising you of the cost to obtain the transcript. Court reporters do not accept personal checks. You will be instructed to send a money order or certified bank check in order to obtain the transcript.

Pursuant to South Carolina Appellate Court Rule 607, court reporters have 60 days to prepare and deliver the transcript after satisfactory payment arrangements are made. If the court reporter is unable to complete the transcript in 60 days, he or she may request a 30-day extension. If this extension is granted, you will be notified by Court Administration. Court reporters may ask for up to three extensions from Court Administration. If court reporters are unable, due to heavy transcript loads, time in court, or other extenuating circumstances, to produce the transcript within that additional 90-day time frame, they may request an additional extension from the Chief Justice. If granted, you will be notified by Court Administration.

If after following this procedure, your request is not acknowledged, or the transcript has not been received, you may contact Court Administration, and we will be glad to assist you. If you are requesting a transcript from digital court proceedings, contact Tammie Holmes, Court Reporter Manager, via email: tholmes@sccourts.org, or at South Carolina Court Administration, 1220 Senate Street, Suite 200, Columbia, SC 29201.

Thank you, I will do that. And I also really appreciate that explanation all we need to do is explain something. I can accept almost anything once I begin to understand it not understanding it does not cause me to want to believe it or accept it. But I can accept it better when I understand it a whole lot better, thank you m'am appreciate that.

Mr. Clemons,

It seems there was an issue with the network and they were having issues with the camera. Again, you should be able to reach out to Court Administration to request a copy of what was recorded during the hearing. I am sorry for any inconvenience this may have caused you. At this time this is all the Clerk's office can do for you.

Good morning Mrs. Candace, here this is Joe Clemons I was talking to Mr. Jackie concerning my hearing that I had with judge Young on July 19th and I'm going to resubmit or write a motion asking the judge to reconsider his ruling on that hearing. I don't agree with the judge ruling, because I know I presented enough proof of evidence and I was telling the truth about my situation with home Telecom and I know he did not evaluate the facts the proof or anything like that and so I don't agree with his ruling because it was just like I never even showed up at the hearing and he just allowed the opposing council to write up everything they has stated before and put that in his order and I don't agree with it at all. I need to listen to the audio recording or I need you to look in the video recording, because I submitted at least two document at that hearing but according to Mr. Jackie and judge Young office they're saying that I didn't submit but one and I know that's cannot be right and I know that's not right. So can I get you to look at the video and see what I submitted or can we look at it together? So, can you give me a call and tell me what can you do about the situation thank you.

Mrs. Candance, it seems like you still don't understand what I'm asking you. I want to know why all of the places where Mr. Curry's name was when he was my attorney, have been replaced with my name?

The actions tab shows filings were filed on your behalf as the plaintiff. As you can see, it also shows the same for the defendant.

Hello Mrs. Candace I was only asking why Mr. Curry name is not on the Current records which would show that I had an attorney up until he quit?

Mr. Clemons,

The only attorney you have had in the case that is in appeal was Eduardo Kelvin Curry. He was relieved as counsel on 7/23/2020. Order signed by Judge McCoy. He is listed on the Public Index. If an attorney didn't file a notice of appearance or Notice of Representation they would not be shown on the Index. Attorneys are not removed, only marked inactive.

Miss Candace I understand that y'all don't control what the order States, but you have control or supposed to have control of when and what was stated. How it was stated and if it was changed and I'm not saying that the things wasn't submitted, but it was changed and because of it was accurate when it was submitted, they wouldn't have never allowed me to go on with judge young with the same issue that judge have already denied.

Mrs Candace, you know that would have never happened. I'm not accusing you guys, you need to get to the bottom of why things are not in the right order as it took place. We need the audio to confirm these things and if not you can help me get it through the court administration because your records doesn't accurately reflect what took place and how it was recorded.
