***** EXTERNAL EMAIL:** This email originated from outside the organization. Please exercise caution before clicking any links or opening attachments. ***

Good afternoon, I am writing to inform the Court that none of the recipients from McAngus Goudelock and Courie identified on the Email to Counsel received either the email or the September 1, 2022 Letter from the Court, even though the email addresses appear to be correct. I located this while looking at this matter in the South Carolina Appellate Case Management, or C-Track system. We cannot confirm whether counsel for Plaintiffs/Appellants received the email and letter. While this correspondence is not time sensitive, we wanted to bring this to the Court's attention in order to ensure that we receive future electronic correspondence in a timely fashion.

Sincerely,
Helen Hiser
