

The South Carolina Court of Appeals

Michael K. Crowley, Appellant,

v.

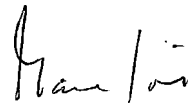

Darlington County, Employer, and South Carolina
Association of Counties SIF, Carrier, Respondents.

Appellate Case No. 2022-000282

ORDER

Appellant requests permission to exceed the page limitations set forth in Rule 208 of the South Carolina Appellate Court Rules. We have reviewed the motion and the conditionally-filed initial brief and believe the issues can be effectively presented within the page limitations. Therefore, the motion to exceed the page limits is denied. Appellant's conditionally-filed initial brief is hereby stricken. Within twenty days, Appellant shall serve and file an amended initial brief that does not exceed fifty pages.

Respondents' initial brief shall be served and filed within thirty days of Appellant's amended initial brief.
