RE: Dexter B. Brown, II, 330278 v. State, App. Case No. 2022-000920

Dear Madam Clerk:

I am writing to request my second extension of thirty days for serving and filing the Petition for Writ of Certiorari and Appendix in the above referenced case.

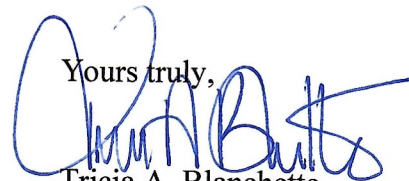

This request is needed due to a heavy Circuit Court schedule and to allow time to meet with Petitioner before filing. Over the last thirty days, I have submitted over one hundred pages of Orders to the Circuit Court. Additionally, I have handled or been involved in five Circuit Court hearings in four different circuits, to include one this upcoming Friday. In order to prepare my clients for those matters, I have been conducting numerous prison visits and phone calls with clients, experts and witnesses.

In addition, Petitioner has requested the opportunity to meet with me in person. I have a visit scheduled with him for September 22nd.

I have communicated with Megan Jameson, Senior Assistant Deputy Attorney General, regarding this matter. She has informed me that I may state that she does not object to my request. She is copied on this request.

Thank you for your consideration with this request. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law
