Re: Jaylin's Properties, LLC v. Estate of Luven Rivers
Appellate Case No. 2021-001407

Dear Jenny Abbott Kitching Clerk of Court:

I, Reginald Evans, an heir to the Estate of Luven Rivers and appellate in the above appeal would like to advise the court of the status of the transcript and request an extension of time.

The Respondent, and the respondent's attorneys of Shuler Law firm along with Zona Jefferson had Reginald Evans illegally removed from his residence on April 29, 2022. The three conspired with Sumter Sheriff Department and Sumter Police Department to enforce the two orders that are pending appeal in this honorable court. The three above also prevents the appellate from receiving mail from the United State Postal Service. Therefore, the appellate have been unable to obtain transcripts and file brief.

The appellate will motion to amend his counterclaim to include civil conspires for all the five-above defendants. By removing the appellate without a writ and using a court order that pending appeal the defendant intentionally denied the appellate right to a fair trial and equal protection.

I ask the Court of Appeals to take whatever actions and sanctions that are appropriate

regarding the defendants' actions. The appellate has file a complaint against the attorney for Shuler Law for his unethical an illegal action.

Respectfully submitted,

/s/
