Re: Karolina Richardson v. Mt. Pleasant Square Associates  
Appellate Case No. 2022-001208

Dear Counsel:

The Court is in receipt of your motion for extension to serve and file the appellant's initial brief. Your motion will not be acted on as you mentioned that you have not yet received the transcript. Pursuant to Rule 208, SCACR, the appellant's initial brief and designation of matter is due within 30 days of receiving the transcript. Please notify the Court once you have received the transcript so timelines can start. If additional time is needed to serve and file the brief, a motion for extension may be served and filed then.

Very truly yours,

*V. Claire Allen*
