Good afternoon Mr. Clemons.

Please complete the attached Transcript Request form and return it to transcripts@sccourts.org if you would like to order a transcript from the hearing on July 19, 2022. You may put WebEx where it asks for the court reporter's name.

Also, please see the below procedures below if you would like to challenge a transcript.

A. Challenge Procedures

When a party has concerns about the accuracy of a transcript, the party must submit his or her challenge in writing to the court reporter and copy the Court Reporting Section Management at transcripts@sccourts.org with the word CHALLENGE in the subject line. The challenge may also be submitted by postal mail to: SC Court Administration, Transcript Challenge, [1220 Senate St. Suite 200, Columbia, SC 29201](#). The written challenge must include the following:

- 1. Their name and contact information;**
- 2. Date of the court proceeding;**
- 3. Case name and caption;**
- 4. Court reporter name;**
- 5. Name and contact information of opposing counsel/parties; and**
- 6. A list of items that specifically identifies what the party is disputing, such as page and line numbers. It is not acceptable to say the whole transcript is being challenged.**

Upon receipt of a challenge to the accuracy of a transcript, the Court Reporting Section Management will respond to the challenger in writing and copy the court reporter and the other parties. The Court Reporting Section Management will then review the record and submit their findings to the challenger, the court reporter, and the other parties. Any inaccuracies will be corrected and the pages forwarded to the challenger at no cost.

Thank you,

Court Reporter Manager
