Thank you. But Miss Holmes, you were talking about that ASCII DISK is supposed to be uncut and unedited virgin, that is what I want. I want that with all the things I was asking for, January 11th 2021, August 23rd 24th 2021 and also July 19th 2022. I want the ASCII DISK and all three of those hearing and trial because it's supposed to be uncut & unedited that's what I want and yes I want the transcript from the hearing that took place on July 19th 2022. Now concerning this August 23rd & 24th trial, you are saying that it already been discussed and resolve, with who that case is still going on in the appellate Court and it had not been discussed at all or resolved not with me so what do you mean by it's already been discussed and resolved by whom with whom because that transcript has been altered, the transcript even have not been certified, the second half of the transcript not been signed, it's uncertified is unacceptable and the other half, it's been altered tremendously. So I want that ASCII DISK and what about the audio recording of that other I has on January 11th 2021, that I was trying to get for the last almost two years. That audio recording, please tell me what you're going to do and so we can move on to resolve these things why don't you all just do your job and stop trying to protect people who have violate the government rules and regulation, stop protecting people and produce the Audio that will proved that the ruling of the Judge was change and the transcript was altered and let the chips fall where they may, thank you ma'am appreciate it.

Good afternoon Mr. Clemons.

The ASCII disk is just another format for the transcript to be produced, just like a .pdf. If you would like your transcripts in this format we can send it to someone who still uses this to type the transcript.

As to the August 23 and August 24, 2021 transcript, this matter has already been discussed and resolved.

If you would like to order the January 11, 2021 hearing to be transcribed please fill out the attached Transcript Request form and return it to [transcripts@sccourts.org](mailto:transcripts@sccourts.org)

I have received your request for the July 19, 2022 hearing. I will get this sent out to be

transcribed today.

Thank you,

Please complete the attached Transcript Request form and return it to [transcripts@sccourts.org](mailto:transcripts@sccourts.org) if you would like to order a transcript from the hearing on July 19, 2022. You may put WebEx where it asks for the court reporter's name.

Also, please see the below procedures below if you would like to challenge a transcript.

**A. Challenge Procedures**

When a party has concerns about the accuracy of a transcript, the party must submit his or her challenge in writing to the court reporter and copy the Court Reporting Section Management at [transcripts@sccourts.org](mailto:transcripts@sccourts.org) with the word CHALLENGE in the subject line. The challenge may also be submitted by postal mail to: SC Court Administration, Transcript Challenge, [1220 Senate St. Suite 200, Columbia, SC 29201](#). The written challenge must include the following:

- 1. Their name and contact information;**
- 2. Date of the court proceeding;**
- 3. Case name and caption;**
- 4. Court reporter name;**
- 5. Name and contact information of opposing counsel/parties;  
and**
- 6. A list of items that specifically identifies what the party is**

**disputing, such as page and line numbers. It is not acceptable to say the whole transcript is being challenged.**

Upon receipt of a challenge to the accuracy of a transcript, the Court Reporting Section Management will respond to the challenger in writing and copy the court reporter and the other parties. The Court Reporting Section Management will then review the record and submit their findings to the challenger, the court reporter, and the other parties. Any inaccuracies will be corrected and the pages forwarded to the challenger at no cost.

Thank you,

Court Reporter Manager
