Re: The State v. James B. Curry
Appellate Case Number 2022-001104

Dear Ms. Kitchings:

The State received this Court's letter construing filings by Mr. Curry as a motion to reinstate his appeal. The State takes no position and leaves it to this Court's discretion whether to reinstate the appeal. The State notes while his initial notice of appeal was filed premature or untimely, his recent filing appears to include a timely notice of appeal from a final order in the case.

Sincerely,

William M. Blich, Jr.
Senior Assistant Deputy Attorney General
