Re: State v. Anthony Tremaine McWilson, Appellate Case No. 2012-213457

Dear Mr. Shearouse:

The initial brief of appellant and designation of matter in the above case is due to be served and filed on July 19, 2013. However, we have discovered that we need an additional transcript. Upon receipt of the September 4, 2012 transcript, I read the first page where the solicitor notes that a hearing was held on August 31, 2012 and asks for the record of that hearing to be incorporated. I am attaching that page to this request for your review. We have requested this transcript today and would request that the time limits be held in abeyance pending receipt of it. A copy of our transcript request is attached. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Susan B. Hackett
Appellate Defender

4 call the case?

10 sure that the hearing from Friday on August 31st is
11 incorporated into this testimony in case there is an
12 appellate record. I want there to be clear that there was
13 an argument made on Friday and that that argument be
14 incorporated into this hearing. Because of that, I just
15 wanted to place on the record, if that's okay with Your
16 Honor, our position.

17 THE COURT: Okay. And I'll note for the record, I
18 guess mostly for the court reporter's purposes, that
19 Ms. McCurdy was the court reporter here on Friday which was
20 the 31st of August, and you filed your motion or -- or you
21 filed a response to the Defendant's request --

22 MS. SAMPSON: That's correct, Your Honor.

23 THE COURT: -- for immunity pursuant to Protection
24 of Persons and Property Act.

25 MS. SAMPSON: That is correct, Your Honor. It is
