Re: The State v. Emanuel Bedford
Appellate Case No. 2022-000932

Dear Jenny ABBott Kitchings

Exhausting all remedies to correct deficiencies sponsors request for knowledge to innovate above-case dismissal. I request transcripts for the order hearing. However, I never receive reply in reference to the order hearing held on, 04-04-22. Judge M. Nettles denied bond. Being indigent also complicates the access of obtaining the transcript although I seek to obtain them by some payable means. Clerk of court in Chesterfield has not sent me a copy of the order hearing held bond on 02-10-22. Although I have asked for that copy since two weeks following the order I have not received it. In addition, clerk of court in Chesterfield has refused to acknowledge all motions I have asked her to clerk clock stamp and send to me. This is all the reasons my case was dismissed. Will you please give me knowledge of what actions I am to take to get my case back active. Please and thank-you in advance.

Respectfully,

Emanuel A Bedford
