Andy,

Carey's gone for the evening, but this will confirm Appellants' consent to Respondent's request for a 30 day extension.

And have a great Memorial Day weekend if I don't speak with you before then.

Thomas

Carey,

I hope you are doing well. I spoke with Thomas about this case a week or so ago and mentioned potentially needing an extension to file the Respondent's initial brief. He indicated there shouldn't be a problem with that, and I need to formally request a 30 day extension (7/8/13) . Please confirm you have no problem with this so I can file a Consent Motion.

Thanks so much, and I look forward to hearing from you.

Andy
