

To the Court of Appeals,

I Antonio Mackey feel I did not have adequate representation. My Attorney Mark Grier did not give me the representation for a fair trial. With good Representation, I with out a doubt of my mind and a jury of my peers will find me innocent of burglary 1st degree. With a trial I would like my accuser to be put on the stand. At most this charge will be dropped to a lesser charge, with a sentence reduction.

Also I'm trying to get all my time credited. I spent 266 days in physical custody and spent 537 days on a ankle monitor. Totalling 803 days or 2 years 3 months and 13 days. How would I have active bench warrant on a ankle monitoring Device?

So I ask the courts for a fair trial where I can have proper representation to atleast drop this charge to a lesser charge or sentence. Also to get all my time credited. Thank you for your time.

Sincerely,

Antonio D. Mackey
