Re: Dana Dixon v. SCDMH (2)  
Appellate Case No. 2021-000696

Dear Ms. Dixon:

The Court is in receipt of your letter filed September 28, 2022. The Court's letter dated September 15, 2021 requires that a bound and unbound copy of the final briefs and the record on appeal be filed with the Court. Unbound copies are utilized by our court to upload into the public case management system. As you did not provide the required unbound final reply brief, our office took apart the binding of one of the bound copies of the final reply brief in order to scan and upload it into our systems. This was done so that you did not have to utilize your resources for a third copy of the final reply brief.

Additionally, upon further review, the Court's letter dated September 21, 2022 requesting you file a bound copy of the amended record on appeal is necessary at this time so that briefing may be completed. Again, please review the Court's letter dated September 15, 2021. As to your numerous motions filed last year, those motions were considered along with the motions from the respondent and an order was filed on February 16, 2022.

Very truly yours,

*V. Claire Allen*
