---

**1. Notice and Quorum**

The Chair declared the meeting open and a quorum present.

**2. Chair**

It was **RESOLVED THAT** Alicja Kornasiewicz be appointed to chair the meeting.

**3. Apologies**

It was noted that Arni Samuelsson had informed Scott Brooker in advance that he would be unable to attend the meeting. Mr Brooker informed the meeting that he had discussed the main business to be conducted at the meeting with Mr Samuelsson. Mr Brooker explained that Mr Samuelsson had confirmed that he was supportive of the Board approving the matters to be discussed at the meeting.

**4. Declarations of Interest**

For the purposes of section 177 and section 182 (as applicable) of the Companies Act 2006 (the "**Act**"), and the Articles of Association of the Company and generally, each of the directors present confirmed that he or she had no interest in the business to be transacted which prevented him or her from being counted in the quorum or voting.

**5. Directors' Duties of a Company in Financial Difficulty**

5.1 The Chair reminded the directors that they must comply with their directors' duties, including those set out in sections 171-177 of the Act, and that in addition to their general duty to act in good faith in a manner which would be most likely to promote the success of the Company for the benefit of its members as a whole, they must have regard (amongst other matters) to each of the factors listed in section 172 of the Act to the extent relevant to the business of the meeting, including in particular section 172(3) of the Act, which provides that the duty imposed by section 172 is subject to any enactment or rule of law requiring directors, in certain circumstances, to consider or act in the interests of the creditors of the company.

5.2 The directors noted that their duties are owed on a company by company basis and not on a group or divisional basis. The directors further noted that once a company becomes insolvent, or there is a doubt as to its solvency, the directors must consider the interests of the company's creditors in order to minimise the potential loss to them.

5.3 It was noted that the directors should consider whether it would be in the interests of the Company and its shareholders, creditors, employees and other stakeholders to continue trading, taking into account the factors listed in paragraph 6 below. It was further noted that the directors should conclude that the Company should continue trading only if there is a reasonable prospect that the Company will avoid insolvent administration or liquidation, though there is no need for the directors to be certain that the Company will avoid those insolvency processes.

## 6. Main Business of the Meeting

- 6.1 The Chair noted that the Board has, over several months, monitored the Company's financial position and has reviewed and considered materials presented by the management of the Company and the Company's financial and legal advisers in relation to such financial position and the possible solutions available. The Chair explained that the purpose of the meeting was to consider the appropriate action to take in light of the Company's financial position.
- 6.2 In particular, the Chair explained that it has been proposed that the Company and certain of its subsidiaries should file voluntary petitions for relief under the provisions of chapter 11 of title 11 of the United States Code, 11 U.S.C. (the "**Bankruptcy Code**") in order to stabilise the Company's (and its wider group's) financial position (the "**Chapter 11 Filing**"). It was also noted that, under these plans, it was expected that the Company and its US, UK, Jersey and Hungary based subsidiaries would benefit from funding to be provided under a new "debtor in possession" loan facility (the "**DIP Financing**") that would help them to stabilise their financial position and, in particular, to meet their liabilities as they fall due. It was also noted that it was proposed that the Company would provide a guarantee and grant security in connection with the DIP Financing. The Board noted that it was proposed that, subject to the outcome of this meeting, the formal approval of the near-final versions of the definitive documents required to be signed in connection with the DIP Financing would be delegated to a committee of the Board.
- 6.3 It was noted that preparations were being made to commence the Chapter 11 Filing on the day of the meeting, but that this was subject to confirmation from the Company's advisers that all of the preparatory work for the Chapter 11 Filing was complete, with all necessary pre-filing payments received.
- 6.4 The Chair explained that the purpose of the meeting was to consider whether to approve:
- (A) the Chapter 11 Filing;
  - (B) if thought fit, the terms of the DIP Financing (including in relation to the guarantee and security to be provided by the Company in connection with the DIP Financing); and
  - (C) the appointment, in accordance with the Company's Articles of Association, of a committee of the Board to be authorised to negotiate and approve the final form of the definitive documents in relation to the DIP Financing on the Company's behalf.

## 7. Reasonable Prospects

- 7.1 The Board referred to previous discussions regarding their duties and the legal framework for directors of English companies and considered the question of whether the Company has a reasonable prospect of avoiding insolvent liquidation or administration for the purposes of sections 214 and 246ZB of the Insolvency Act 1986.

7.2 It was noted that the Chapter 11 Filing would bring certain protections against creditors bringing certain actions and claims against the Company and its subsidiaries who are also expected to file for chapter 11 at or around the same time. It was also discussed that the DIP Financing, for which the Chapter 11 Filing is a pre-condition, should enable the Company and its US and UK subsidiaries to continue meeting their obligations as they fall due.

7.3 Accordingly, the Board considered that the Chapter 11 Filing would help the Company to avoid insolvent liquidation or administration and was in the best interests of the Company's creditors as a whole and other stakeholders. The Board concluded that the Company retains a reasonable prospect of avoiding insolvent liquidation or administration for the purposes of sections 214 and 246ZB of the Insolvency Act 1986.

## 8. Resolutions

Following due consideration of the matters discussed at the meeting, including their duties as directors of the Company and the proposals in relation to the Chapter 11 Filing, the Board **RESOLVED THAT:**

#### **9. Approval of the terms of the DIP Financing**

- 9.1 The Board considered the near-final form draft term sheet in relation to the DIP Financing. The Board was of the opinion that the provisional terms of the DIP Financing, including the provision of a guarantee and the granting of security by the Company in connection with the DIP Financing, was in the best interests of the Company, the Company's creditors as a whole and other stakeholders.

9.2 Accordingly, the Board resolved that the terms of the DIP Financing as contained in the DIP Term Sheet be and are hereby approved.

**10. Committee of the Board**

10.1 The Board agreed that a committee should be established to consider in detail drafts of the relevant documents and, if thought fit, be authorised to negotiate and approve the final form of the definitive documents in relation to the DIP Financing on the Company's behalf.

10.2 Accordingly, the Board resolved that, pursuant to Article 92 of the Company's Articles of Association, a committee of the Board consisting of any two directors of the Company be constituted (the "**Committee**") with the following powers, authorities and discretions:
