Re: Legal mail

Mr. Cartledge,

This request is being forwarded to you regarding the above subject matter!

At this time, I'll like to address a serious issue to you. I received an (OTR) dated 3-15-2013 from the mail room signed by Ms. Davis stating that I had legal mail to pick up, however, the legal mail was mail back to whomever forward it to me before I had the opportunity to receive it! That literally interfered with my access to the courts because I'm in a situation where as I can't determine whom sent it to me, I have ~~no~~ right to legal mail. your addressment will be counted upon.

DISPOSITION BY STAFF MEMBER:

You received several OTR to pick up legal which you did not show up to pick up. You failed to state you did not come to try + pick up 2 wks later. After 10 days + you have not responded legal gets sent back ~~to~~ sender know you failed to pick mail up. We have all documentation for any lawyer on court house showing when received when it was signed for + or of sent back.

This request is being forward to you regarding the above reference subject matter....

At <sup>this</sup> time I'll like to ask you a question regarding my legal mail. You stated to me on 4-1-2013 that I waited too late to come pick up legal mail that was sent to me. However, you never informed me of to where the legal mail was sent nor came from. Therefore, I'll like to know so that I can make the attempt to track it down (Legal mail). Your cooperation will be tremendously appreciated.

I have several that you did not attempt to pick up. But the one you are referring to was for Supreme Ct SC Daniel E Shearouse clerk of

Thanks

DISPOSITION BY STAFF MEMBER:

It was sent back to sender. We make several attempt to get you up here. After 10 days they get returned to sender + papers get filed to storage which takes time to get put together. I am the only mail room who might have them. So they will be sent there.

Request for access to Privileges Services,

Since May of 2011, I have not had access to visitation, canteen, and telephone Services, because of Disciplinary Sanctions. This in its' course has affected the relationship between Family, Friends, and Living condition. Therefore I have learned to conduct myself accordingly to agency Policy, so to regain access to all Services. Furthermore, the Incidents in which the above Disciplinary sanctions occurred, occurred at Lee and no Incident have occurred at Pelzar. So I believe, Because of this fact, you should be Compassionate when considering this Request.

**DISPOSITION BY STAFF MEMBER:**

In order to have your visitation privileges reinstated you must be one (1) year disciplinary free from a major charge and to have canteen and telephone privileges reinstated you must be two (2) years disciplinary free from a major and at this time you are neither, therefore your request is denied. Your last major charge was 07/18/13. If you remain disciplinary free you may write back after 07/18/13 and request your visits be reinstated and I will review your request at that time.
