Thanks so much for getting back to me.
I've requested the transcripts from the Magistrate in Dorchester County, I'm just waiting for the files to be put on USB drives for me.
Thanks so much again for your help!

Good afternoon Claire,

Our office cannot produce your request. We only have access to Circuit and Family court hearings. You would need to contact the Magistrate Court in Dorchester County. I am unaware of their process, but if they can only provide the audio, you could google/search for a court reporter or transcriptionist for production.

Thank you,
