Hi Shelby -

I'm looking for some guidance on this.

I requested the transcripts for the -3498 & -1337 cases from the Summerville Magistrate, they should be ready at some point today.

I've also put together a motion to request the late transcripts.

We're in Charleston County, is there a way to file everything electronically or do we need to physically bring them to Columbia?

Thanks so much for your help,

Claire Mozer

Hi Shelby,

I'm reaching out to try to get the correct transcripts requested and sent over to you for Open Gym Training Center's appeal.

There are multiple case numbers and I believe the one associated with the appeal did not have a court hearing or a court reporter assigned to it so I'm not sure how to proceed. Does the court want all transcripts related to the case?

OGTC relieved its council but it was not filed until after this appeal was filed, thus causing the delay in information getting to us.

Here are the case numbers:

2022CP1800072

2021CV1810303498

2022CP1800711 - (original appeal)

2022CV1810301337

Any help would be greatly appreciated. I can be reached via email or phone (248) 495-9707.

I believe we have until September 8th to get this in to you.

Thanks so much,
