It is important that you keep your follow-up appointment as directed and that you report any new or remaining problems to the physician who sees you for follow-up care. Follow the instructions below as indicated for you. You may return to the Emergency Department if your problem worsens or your physician is unavailable.

☐ **CASTS:** Casts take twenty-four to forty-eight hours to dry. Do not bend or bear weight on cast until it is dry. Keep cast dry at all times. Do not put anything between your skin and the cast. Wiggle toes or fingers frequently to help prevent swelling. Notify your doctor if you have cold fingers or toes, numbness or tingling of injured limbs, purple or blue skin of fingers or toes, sore or pressure areas, great increase in pain, or a broken cast.

☑ **CULTURE RESULTS:** You have had a _____ culture done. The results will be available in approximately forty-eight hours. If results are positive, we will contact you at the phone number you provide. If results are negative, you will not receive a call.

☐ **EAR INFECTIONS:** For middle-ear infections, the doctor will prescribe an antibiotic. Finish ALL this medication using the routine prescribed. Pain can usually be controlled with aspirin or tylenol. For ear canal infections, ear drops should be used as prescribed.

☐ **FEVER:** Use thermometer to measure your temperature. For a temperature over 101 F, take aspirin or Tylenol as directed. In children, aspirin should NOT be used in cases of chickenpox or flu. If a child with high fever (over 103 F) seems uncomfortable, bathe in cool to lukewarm water to bring the temperature down. Avoid rubbing alcohol or ice water baths. Drink PLENTY of fluids and do not overdress.

☐ **GYN PROBLEMS:** For infection, take ALL medication prescribed. Stay at rest until pain is gone and temperature returns to normal. Do not have sexual relations until you have checked with your physician. Call your physician if: temperature reaches 102 F; vomiting or diarrhea occur; pain is unrelieved by medications or worsens. For vaginal bleeding, call your physician or come to the Emergency Department if your menstrual period lasts longer than 10 days, or if you are pregnant.

Home care: May be up and around, may eat or drink anything except alcohol. Ask physician about taking prescribed medications or pain medications.

☐ **HIGH BLOOD PRESSURE:** Your blood pressure was found to be higher than expected for your age. Take any medication that may have been prescribed and have your physician check this as soon as possible.

☐ **NAUSEA/VOMITING/DIARRHEA:** Rest quietly. Restrict intake to clear broth, gatorade, flat soda pop or sweetened weak tea. Use medication as prescribed.

☐ **SPRAINS:** Elevate the injured part above the heart to decrease pain and swelling. Use the injured part only as directed by your physician. COURT SUMMARY

S 3-3249

Parent: Dora Owens

Children: Marie
Freddie
Donald
Obdula
Santil

The Greenville County Department of Social Services has been involved with Mrs. Dora Owens since December 12, 1979 when we received a complaint alleging physical neglect. At that time the concern was primarily due to lack of finances. The Greenville hospital clinic at that time was concerned about Donald because of a lack of weight gain.

The Greenville County Department of Social Services continued to work with Mrs. Owens. She was cooperative with the Department of Social Services worker and she could be motivated to do things to improve the family situation; however very little progress was made.

In June of 1982 Mrs. Owens moved to Laurens County. We sent a summary at that time and transferred the case to Laurens County Department of Social Services.

On February 3, 1983 the Greenville County Department of Social Services received a report alleging educational and physical neglect. I made a home visit on February 4, 1983. I found that Mrs. Dora Owens was living with her mother, a Mrs. Mingo. The children appeared to be fairly clean but the apartment was very crowded. I asked Dora Owens about Marie's school attendance. Mrs. Owens stated that she was living with her mother temporally and that she planned to move back to the Gray Court area in Laurens County. I told her that if she planned to stay in Greenville County she would need to apply for AFDC in this county and enroll Marie in school.

On March 31, 1983 I made a home visit to Mrs. Mingo's residence. Mrs. Dora Owens was there with her children. She said that she decided to stay in Greenville; she had applied for AFDC, but had not enrolled Marie in school. I substantiated an educational neglect case. At that time, Mrs. Owens said that she had had trouble with Marie's shot record. I stressed to her that Marie had to be registered in school no matter what the reason. The Health Department could get Marie's shots up to date.

On May 6, 1983 the Greenville County Department of Social Services received another referral alleging abuse, physical and educational neglect. This referral was investigated by Department of Social Services worker Jewel Coker. Mrs. Coker could not prove abuse or neglect. However, she did find that the children had ticks, but were being treated for them. Marie was still not attending school.

It is this caseworker's opinion that Mrs. Dora Owens, as a parent, has a long history of marginal child rearing practices. I do not doubt that Mrs. Owens cares about her children, but she appears to be unable to care for them properly. Five children from ages seven to one year demand more time, money, energy and motivation than Mrs. Owens has available to her. We recommend continued foster care until Mrs. Owens secures more adequate housing and parenting skills training.

FILE NUMBER: 83-DR-23-3249

The Petitioner herein would respectfully allege and show unto this Honorable Court:

I.

That all matters and things hereinafter alleged are within the jurisdiction of this Honorable Court.

II.

That Marie , Freedie , Donald , Lorenzo , and Satail are minor children under the age of eighteen, and that the said minor children are residents of Greenville County, South Carolina.

III.

That Dora Owens is the natural parent of the above-named minor children and that Dora Owens resides at South Carolina. The name(s) and whereabouts of the children's father(s) are unknown to the petitioner herein.

IV.

On August 16, 1983, the Greenville Police Department received a call alleging that the above-named minor children had been left alone at the above-mentioned address of Dora Owens. Officers S.M. Screws and B.L. Reyburn responded to this call. Upon arrival at t, they found the five above-named children at home alone. A witness told the Officers that the mother had been gone for some time. Upon checking the apartment the Officers found that the electrical power was disconnected, there was no food in the house, bathtub contained six inches of standing water, and pans with old food in them. The officers called I.D. for photographs of the residence. They then transported the children to the Law Enforcement Center. After talking to the Juvenile Officer and Department of Social Services, the officers took the children to Pendleton Place. A notice of emergency protective custody was left at the residence.

V.

That on August 17, 1983, the Greenville County Department of Social Services placed the five children into temporary foster care after staying at Pendleton Place overnight. VI.

That the Petitioner has noted that the Department of Social Services records reveal that Dora Owens has been previously known to the agency for Child Protective Services treatment with reports of child neglect back to February, 1983. Prior to this time, Dora Owens and the minor children resided in Laurens County. That Dora Owens has not ceased in her neglectful behavior in regard to her children.

VII.

Therefore, your Petitioner prays that this Honorable Court retain protective custody of the minor children with physical placement at the discretion of the Department of Social Services; that the mother cooperate fully with the Department of Social Services and with any other agency to which she may be referred in her best interest; that the mother keep the Department of Social Services advised of any change of address; that the matter of child support be considered; that a guardian ad litem be appointed for the minor children; that all professional records pertaining to this family be made available to the Department of Social Services and this Honorable Court; and any other relief deemed necessary by this Court.

WHEREFORE, your Petitioner herein prays that this Honorable Court inquire into all matters and things hereinabove alleged and grant unto the Petitioner the relief prayed for herein.

ORDER

This matter was before the Court on August 23, 1983 upon a petition filed by the Department of Social Services on August 18, 1983. This matter was a ten-day proceeding held under the emergency protective custody provisions of the Child Protection Act. The respondent was Dora Owens, she was present at this Court proceeding having been duly served and represented by Thomas Bruce, Esquire of the Greenville County Bar. David Black, Esquire of the Greenville County Bar served as the court-appointed guardian ad litem and legal counsel for the

.minor children, assisted by Robert Coleman, Esquire of the Greenville County Bar. Kathleen P. Jennings, Assistant Circuit Solicitor, appeared on behalf of the petitioner. The Court finds that this matter and parties are properly before the Court under the provisions of the Child Protection Act.

The respondent, through her legal counsel, made it known to the Court that they agree at this time with the prayer of the Department of Social Services, consented to the treatment program of the Department of Social Services and agree to cooperate with the Department of Social Services.

The Court heard testimony from Greenville Police Officer S.M. Screws, who testified as to his taking of protective custody on August 16, 1983. Officer Screws testified as to his arrival at the residence of the respondent at , finding the children alone and unattended.

Officer Screws identified for the Solicitor various pictures of the residence which were introduced as State's exhibit number one, without objection, depicting the circumstances presenting themselves for the emergency protective custody.

Officer Screws testified that he found no relatives at the residence nor any baby sitter presenting themselves as responsible for the children. Officer Screws further testified that he was at the residence approximately 40 minutes and found the children to be hungry, dirty and in a house with no food or power.

The Court also heard testimony from Dora Owens and from Freddie Massey.

The Court upon consideration of the testimony and evidence presented to the Court, makes the following findings by clear and convincing evidence:

1) That the action of the Greenville Police Department in taking emergency protective custody of these children was necessary in the best interest of the children and that the children were unattended by an adult or other suitable baby sitter, in that the children were dirty, were hungry and in a residence with no power and no food,

2) That the respondent agrees at this time with relief sought by the Petitioner and agrees to the alternative placement at this time in the care and custody of the Department of Social Services,

3) That the guardian ad litem agrees with the recommendation of the petitioner ,

4) That a court summary prepared by the Department of Social Services case worker Jay McGill was also made a part of the Court record,

5) That the Court will consider the return of the children to the respondent when she is able to provide adequately for the children's needs including attention to their food, clothing, health care and to provide a stable and suitable home environment,

THEREFORE, IT IS ORDERED, that the minor children shall remain in protective custody of the Court with physical placement in the discretion of the Department of Social Services, with this agency empowered to provide for any medical, physical, emotional or other need as determined in the best interest of these minor children.

IT IS FURTHER ORDERED that the respondent mother will keep the Department of Social Services advised at all times of her current address.

IT IS ALSO ORDERED that all professional records including medical, mental health, law enforcement, parenting or other professional records will be available to the Department of Social Services and to the Court.

IT IS FURTHER ORDERED that the respondent will cooperate with the Department of Social Services and will seek on her own initiative as well, an establishment of a stable and suitable home environment with proper attention being made for the possible return of the minor children. The Court will consider and directs the respondent to see that such needs as electricity, proper food and suitable housing are maintained as well as improvement in her parenting skills either through

case work counseling or from a parenting skills counseling session.

The Court will not , at this time, award child support, but will entertain future awards of child support as soon as Ms. Owens becomes gainfully employed.

The Department of Social Services will see to the regular school attendance of these minor children and will also arrange and coordinate supervised visitation between the children and the respondent mother.

THEREFORE, IT IS SO ORDERED.

I, the undersigned Judge of the Family Court for the Thirteenth Judicial Circuit do hereby certify that I verily believe the foregoing order to be in compliance with the requirements of Rule 27(C) of the Rules of Practice for the Family Courts.

This matter was before the Court on October 14, 1983 upon a full hearing in the interest of the above named minor children. This matter was last before the Court on a ten (10) day emergency hearing on August 23, 1983 when the minor children were taken into emergency protective custody by officers of the Greenville Police Department. This hearing is to review the circumstances surrounding the Petition and the best interest of these children. Respondent is Dora Owens, the natural mother of the minor children. She was duly served and represented by Thomas Bruce, Esquire of the Greenville County Bar. RKJJr.

#1

David Black, Esquire and Robert Coleman, Esquire both of the Greenville County Bar continued their legal representation as the court appointed Guardian-ad-Litem and legal counsel for the minor children. Kathleen P. Jennings, Assistant Circuit Solicitor appeared on behalf of the Petitioner. The Court finds that this matter and parties properly continue under the jurisdiction of the Court conferred by the Child Protection Act.

The Solicitor reviewed the developments in the case and presented to the Court an agreement reached on behalf of the parties concerning these children.

The Court heard additional presentation from Mr. Bruce and from the Guardians-ad-Litems. The Court also heard testimony from Austin Case of the Department of Social Services who had verified the initial pleading in this regard.

Also present at this proceeding was Greenville Police detective Dorothy Butler and Officer S.N. Screws of the Greenville Police Department along with Susan Parnell, Jay McGill, Pat Gantt and Austin Case of the Department of Social Services.

The Court ,after hearing testimony and hearing the agreement as well as hearing from the respondent, makes the following findings by clear and convincing evidence based upon the stipulation and agreement presented to this Court.

1) That the Court substantiates the Petition of the Department of Social Services upon hearing the testimony from Mr. Case of the Department of Social Services who had verified this Petition ,

2) That based on this testimony and verified pleadings, the Court finds that the allegations contained in the Petition are established,

Family Court - Post Office Box 757
Greenville, S. C. 29602

Dear Judge Johnson:

Re: Dora Owens
File #

We are writing regarding the Order signed October 25, 1983 on Dora Owens and her five children. Since that date, the Owens Children have remained in foster care and Ms. Owens has worked diligently towards their return home.

Ms. Owens attended a series of parenting classes given at the Department of Social Services and has earned a certificate upon completing the classes. She thinks that the classes were valuable and interesting and she has been able to talk about what she learned with her caseworker.

Ms. Owens has moved to a new address: 705-A Dunbar Street with her mother, Mary Mingo and brother, Robert Mingo. We have visited this residence and found it clean, orderly and properly furnished. The apartment has two large bedrooms. The room that the boys would stay in has two single beds and one double bed. Robert, Freddie, Donald and Lorenzo would share that bedroom. The larger bedroom has one single bed and one enormous, "king size" bed and this room would accomodate Ms. Owens, Marie and Satail.

The apartment has electricity, hot water and is heated adequately by kerosene. The rent is $90.00 per month and with Robert Mingo's SSI income and Ms. Owens AFDC, the income will be sufficient to cover their rent and utilities.

Ms. Owens has complied with the requirements of the Workfare program and the family will be receiving food stamps once again.

We have interviewed Jeanette Massey, the paternal aunt of all the children. She will be available to baby sit for all the children at anytime for Ms. Owens. Ms. Massey appears to be a responsible adult, who cares for her own two children adequately and who also has charge of her retarded brother and cares for his every need.

Ms. Massey's brother, Freddie, is the father of all of Ms. Owens children. Both women state that the whereabouts of Freddie Massey is unknown and that he is out of the State presently. When his whereabouts are learned, Mrs. Owens has agreed to try to seek child support from him. It is a requirement of applying for AFDC that Mrs. Owens sign papers to that effect.

We have provided regular visitation between Mrs. Owens and the children. Mrs. Owens was at all times appropriate in her interaction with the children and there was mutual affection between all concerned. In general, we have been very impressed with Mrs. Owens responsiveness and cooperation and feel it is in the best interest of the children to be returned to her care.

We are planning to return the Owens children per the Court Order guidelines on or about December 13th and will be providing supervision to the Owens household thereafter. Should the Court need any further information on Mrs. Owens current situation, we will be happy to comply.

Respectfully submitted,

Nancy Hamby

UPON NOTICE to the Court above, I find the Defendant in this action is under an Order to pay support through this Court for the support of certain minor children and has not been relieved of that obligation or payment method; consequently, I find that an Order changing the payee of the Court's disbursement does not affect the Defendant's obligation, involves no adverse interests, and is, therefore, not prejudicial.

The Respondent, fully answering the Petition herein, would show unto the Court:

I.

That each and every allegation of the Petition which is neither admitted, modified or qualified is hereby denied.

II.

That Paragraphs I and II of the Petition are admitted.

III.

That Paragraph III is admitted, except to the extent that it is alleged that the name and whereabouts of the minor children's father is unknown. The

natural father is Freddy Massey residing in Greenville, South Carolina, of all five children.

IV.

That Paragraphs IV, V, VI and VII are denied except to the extent that they are consistent with the following allegations of respondent: That respondent left the premises at ....., Greenville, South Carolina, to be absent for a brief period of time. That she asked her sister, Maxine Mingo (age 16), who resides with her, to baby-sit with the children. That upon information and belief, Maxine Mingo left the children unattended. That when the respondent returned to the residence, she discovered that the children were gone and she immediately went to the Law Enforcement Center and asked after them. COURT SUMMARY

Parent: Dora Owens

Donald

The Greenville County Department of Social Services has been involved with Mrs. Dora Owens since December 12, 1979 when we received a complaint alleging physical neglect. At that time the concern was primarily due to lack of finances. The Greenville hospital clinic at that time was concerned about Donald because of a lack of weight gain.

The Greenville County Department of Social Services continued to work with Mrs. Owens. She was cooperative with the Department of Social Services worker and she could be motivated to do things to improve the family situation; however very little progress was made.

In June of 1982 Mrs. Owens moved to Laurens County. We sent a summary at that time and transferred the case to Laurens County Department of Social Services.

On February 3, 1983 the Greenville County Department of Social Services received a report alleging educational and physical neglect. I made a home visit on February 4, 1983. I found that Mrs. Dora Owens was living with her mother, a Mrs. Mingo. The children appeared to be fairly clean but the apartment was very crowded. I asked Dora Owens about Marie's school attendance. Mrs. Owens stated that she was living with her mother temporally and that she planned to move back to the Gray Court area in Laurens County. I told her that if she planned to stay in Greenville County she would need to apply for AFDC in this county and enroll Marie in school.

On March 31, 1983 I made a home visit to Mrs. Mingo's residence. Mrs. Dora Owens was there with her children. She said that she decided to stay in Greenville; she had applied for AFDC, but had not enrolled Marie in school. I substantiated an educational neglect case. At that time, Mrs. Owens said that she had had trouble with Marie's shot record. I stressed to her that Marie had to be registered in school no matter what the reason. The Health Department could get Marie's shots up to date.

On May 6, 1983 the Greenville County Department of Social Services received another referral alleging abuse, physical and educational neglect. This referral was investigated by Department of Social Services worker Jewel Coker. Mrs. Coker could not prove abuse or neglect. However, she did find that the children had ticks, but were being treated for them. Marie was still not attending school.

It is this caseworker's opinion that Mrs. Dora Owens, as a parent, has a long history of marginal child rearing practices. I do not doubt that Mrs. Owens cares about her children, but she appears to be unable to care for them properly. Five children from ages seven to one year demand more time, money, energy and motivation than Mrs. Owens has available to her. We recommend continued foster care until Mrs. Owens secures more adequate housing and parenting skills training.

IN THE FAMILY COURT

O R D E R

This matter was before the Court on October 14, 1983 upon a full hearing in the interest of the above named minor children. This matter was last before the Court on a ten (10) day emergency hearing on August 23, 1983 when the minor children were taken into emergency protective custody by officers of the Greenville Police Department. This hearing is to review the circumstances surrounding the Petition and the best interest of these children. Respondent is Dora Owens, the natural mother of the minor children. She was duly served and represented by Thomas Bruce, Esquire of the Greenville County Bar.

David Black, Esquire and Robert Coleman, Esquire both of the Greenville County Bar continued their legal representation as the court appointed Guardian-ad-Litem and legal counsel for the minor children. Kathleen P. Jennings, Assistant Circuit Solicitor appeared on behalf of the Petitioner. The Court finds that this matter and parties properly continue under the jurisdiction of the Court conferred by the Child Protection Act.

The Solicitor reviewed the developments in the case and presented to the Court an agreement reached on behalf of the parties concerning these children.

The Court heard additional presentation from Mr. Bruce and from the Guardians-ad-Litems. The Court also heard testimony from Austin Case of the Department of Social Services who had verified the initial pleading in this regard.

Also present at this proceeding was Greenville Police detective Dorothy Butler and Officer S.N. Screws of the Greenville Police Department along with Susan Parnell, Jay McGill, Pat Gantt and Austin Case of the Department of Social Services.

The Court ,after hearing testimony and hearing the agreement as well as hearing from the respondent, makes the following findings by clear and convincing evidence based upon the stipulation and agreement presented to this Court.

1) That the Court substantiates the Petition of the Department of Social Services upon hearing the testimony from Mr. Case of the Department of Social Services who had verified this Petition ,

2) That based on this testimony and verified pleadings, the Court finds that the allegations contained in the Petition are established,

3) That the respondent mother continues to live in the residence from which the minor children were removed,

4) That the respondent mother is not employed,

5) That the respondent mother at this time has no income and lives in a residence at this time with no electricity,

6) That the respondent mother agrees with the assistance of a legal counsel to pursue child support through appropriate means from the father of these children,

7) That the respondent mother agrees to participate in parenting classes,

8) That the respondent mother also agrees to seek and live in a different residence which should at all times have appropriate electricity, food and other conditions so as to prepare in the future for the return of these children,

9) That the respondent mother will begin immediate participation in the Workfare program of the Department of Social Services where she must work for two (2) months before she will receive food stamps as a result of sanctions placed on her for failure to comply with the Workfare guidelines,

10) That these children will continue in the care and custody of the Department of Social Services until such time as the mother accomplishes the treatment goals, including separate housing, appropriate services within the house such as electricity and food, active participation in parenting classes, location of the father for child support, participation in Workfare and stabilization of income and food in this family unit,

11) That the Department of Social Services will be empowered to return these children upon the accomplishment of all goals,

12) Should the Department of Social Services choose for any reason, not to return the children after a period of a minimum of two or three months, then Mr. Bruce on behalf of the respondent can make a Motion through proper Petition for a review hearing in this regard,

13) That in any event a review hearing will be held within a year of this matter should the children not be returned,

14) That the Guardians-ad-Litem join in the proposal of the Solicitor as agreed to by the respondent,

15) That the Court adopts the agreement as in the best interest of the minor children,

16) That the Guardians-ad-Litem are entitled to a fee of $50.00 each for their legal representation and counsel in this regard.

THEREFORE, IT IS ORDERED that the minor children shall continue in the protective custody of this Court with physical custody and placement to continue in the descretion of the Department of Social Services, this agency empowered to provide the children with any medical, education, emotional or other need as determined in their best interest.

It is further Ordered that Dora Owens shall proceed with legal action regarding child support from the father of these minor children.

It is further Ordered that Dora Owens shall also participate in parenting classes to be referred for her by the Department of Social Services, to seek a different, stable and suitable residence, to see at all times that proper food, electricity and other necessities are provided in this residence.

It is further Ordered that Mrs. Owens shall keep the Department of Social Services advised at all times of her current address and prior to any move being made. The Department of Social Services is empowered and ordered to supervise periodically the physical placement of the respondent mother on an unannounced basis at reasonable times to determine the

suitability of Mrs. Owens' housing.

It is further ordered that the Department of Social Services shall be empowered to return these minor children to the respondent mother at the conclusion of a minimum of two month time period based upon the respondent mother's demonstration to this agency that she has accomplised all goals within the treatment program prescribed for her. Mrs. Owens, among other goals, shall be ordered to demonstrate to DSS that she has appropriate food, appropriate income to obtain such food and that she has provided and able to provide appropriate supervision of a responsible nature for the children should she be absent from the residence.

Mrs. Owens is ordered to cooperate with the Department of Social Services Food Stamp Division in their Workfare program as well.

If The Department of Social Services for any reason elects not to return the minor children based upon good cause demonstrated to this agency, then Mrs. Owens through her legal counsel is empowered to petition for review hearing in this regard.

Should the children not be returned within one year and the respondent not make petition to this court for a review hearing, then this matter shall be automatically reviewed by the court within one year from the date of this hearing.

The Department of Social Services shall continue coordination of reasonable visitation between the respondent and the minor children.

The Department of Social Services shall also have access to any parenting, law enforcement, education, medical or professional counselling records regarding this family for use in their monitoring and treatment program. When the children are returned by the Department of Social Services if such occurs, then the Department of Social Services is empowered and ordered to make periodic supervision and check of the minor children.

THEREFORE, IT IS SO ORDERED.

I, the undersigned Judge of the Family Court for the Thirteenth Judicial Circuit do hereby certify that I verily believe the foregoing Order to be in compliance with the requirements of Rule 27(c) of the Rules of Practice for the Family Court.

Text:

On Sunday, December 30, 1990, at approx 1949 hrs., Dorothy Canupp, off. 1st Class, observed a confrontation between several black and white inmates in Dorm 3 on the B-Side. The confrontation occurred because of racial slurs and drugs. Because of the large number of inmates involved, however, after William Nicholson made the racial remark or remarks that caused the disturbance. All inmates involved do admit that they took part in the disruption of orderly operation of Dorm3 on Sunday, December 30, 1990.

I attest this narrative is an objective, accurate and true representation of the facts.

Text:

On 1/30/93 at approx. 1130 hrs. I, Ofc. J. Werts approached Inmate Alex Mason, #167438 in front of F1. I observed Inmate Mason acting suspiciously and requested that he accompanied me inside F1 for a strip search. As we entered the dorm, Inmate Mason reached inside his jacket pocket and placed something in his mouth. I placed my right hand on the back of his jacket and instructed him several times to spit the contraband out. Inmate Mason tried to push past me in an attempt to get to the officers restroom, which is located in the lobby where the incident was taking place. At this time I positioned myself between Inmate Mason and the restroom. During this altercation Inmate Mason began to cough as if he were choking, so I released him. As I did Inmate Mason ran out of the dorm into the yard area. While pursuing, I observed him toss the item onto the roof of F1. Inmate Mason was restrained and escorted to Operations. Shortly af[illegible] I returned to F1 and recovered the evidence from the roof top which turned out to be yeast stolen fr[illegible]chen area.
Inmate Mason is being charged with the above.

Re: NOTICE OF REJECTION

Dear Mr. Mason:

After thorough consideration of all facts in your case, the Panel Board at its meeting today, has rejected your plea for Parole. In an effort to help you understand the action taken, some significant reasons for the decision are indicated below:

Nature and seriousness of offense.
Repetition of similar offense.
Failure to previously live within the conditions of a community supervision program.
Participating in a community supervision program at time present offense was committed.
Indication of violence in this or previous offense(s).
Use of deadly weapon in this or previous offense(s).

Based on your maximum sentence, you will again be eligible for Parole consideration on September 24, 1987.

Very truly yours,

Grady A. Wallace, Commissioner
