RE: 3D Land Holdings, LLC v. Willis J. Johnson, et al.  
Appellate Case No. 2022-001145

Dear Clerk:

The Appellants served their initial brief and designations on September 15, 2022. By my calculation, the Respondent's initial brief and additional designation of matters to be included in the Record on Appeal are due on Monday, October 17, 2022. However, with my work load of other commitments, I do not anticipate that I will be able to complete the brief by that date. Accordingly, I am writing to request a 30-day extension of time, which would make the initial brief and designations due on November 14, 2022.

I am enclosing a check for the \$50.00 filing fee, and I am providing notice of this request to Appellants by copy of this letter to their Counsel of Record by U.S. Mail and her AIS email.

Thank you for your consideration of this request.

Sincerely,

Daniel W. Stacy (S.C. Bar # 8816)
