MOTION TO EXTEND DEADLINE TO SERVE AND FILE INITIAL BRIEF  
AND DESIGNATION OF MATTER  
TO BE INCLUDED IN RECORD ON APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for an extension of the time in which to serve and file the Appellant’s initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The subject deadline is today, and Appellant's counsel has not yet completed the initial brief but has done work on the same. With upcoming travel, hearings, potential trial, and other work obligations, counsel believes three weeks is a sufficient extension for completion of the brief.
2. This is the fourth extension sought of this deadline, and no further extension will be sought absent extraordinary circumstances.
3. There is good cause for the requested extension.
4. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal to November 2, 2022.

Respectfully submitted,
