RE: State of South Carolina v. Bruce Hill; Tracking No. 2011-199807

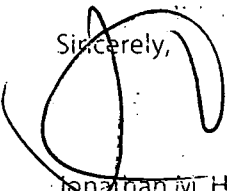

Dear Madame Clerk:

I received the Initial Brief of Respondent on May 23, 2013. I understand that my reply to this brief is due on or around June 1, 2013. For the following reason, I respectfully request a 30 day extension of time in which to file any reply brief.

My request is due to the fact that Respondent proposes to include several trial level orders, a pre-trial hearing transcript and a letter to the Tennessee Department of Corrections in the Record on Appeal. The Respondent also references these materials in his brief. I have not been provided copies of any of these materials, which I requested today via email and U.S. Mail.

Until such time as I have an opportunity to receive copies of these materials from Respondent and review the same, I do not believe that I can make a proper determination as to whether a reply brief will be necessary. As such I request a 30 extension of time in which to file a reply brief. Thank you for your assistance, and please let me know if I need to take any further steps relative to this request.

Sincerely,

Jonathan M. Hiller  
Attorney at Law
