I have received your notice that the transcript in the above matter should have been delivered. I still haven't received the transcript at this time. I did take the liberty to reach out to the court reporter on 9/2/2022 and was informed she would look out for the money order I had overnighted. I also reached out to her via email on 9/22/2022 to check the status or determine if she would need to reach out to the court to request an extension to allow time for me to receive the court transcript documents from her. At this moment I haven't received any update or the transcript at all.
