Dear Court of Appeals:

It has just been brought to the Plaintiff's attention of the violation that has been committed by the Commission. Under Code of Laws Title 42 Workers' Compensation; the law permits 14 days for parties to bring an Appeal before the Commission. Commissioner McGaskill rendered his pre-hearing; conducted off record decision on August 3, 2022. Commissioner Wilkerson rendered his decision that no one party received notice of decision on August 7, 2022. There was only 4 days between decisions. Plaintiff begs the court to take this statement into account when rendering their Courts Decision.

Most I Sincerely I Submit this Request,

Alicia Ruffin
