3. Title II of the Americans with Disabilities Act permits reasonable accommodations to modify all law, rules, procedures, as an example.
4. The Appellant was following the rules in obtaining transcripts necessary for her to perfect her brief for this appeal.
5. During her correspondence with the court reporter, Michael C.  12. Mr. Watkins requested additional steps for the Appellant to make in order to receive the transcripts.
 13. The Appellant is starting to feel better as of today and is continuously challenged with complying with rules, statutes, and laws in general, due to her disability of being paralyzed in addition to caring for herself and her noncontagious deadly secondary complication from being paralyzed illness of pressure wounds and her frequent diarrhea attacks and clean up.
 14. The Appellant may amend this order as she is making a good faith effort to provide the correspondence thus far.

3 of 4

15. The reasonable request the Appellant is making is to accept her providing the correspondence pursuant of/to Rule 207, SCACR and Rule 607, SCACR as timely.

16. This does not prejudice the Respondent Kevin Carter.

FOR THE FOREGOING REASONS, the Appellant's Title II of the Americans with Disabilities Act Reasonable Accommodation Request should be granted, and the correspondence provided be accepted and declared as timely.

I received the money orders.

I need you to do this for me...can you send a formal request for the 8-19-22 hearing to transcripts@sccourts.org? They will tell you where to find the form to fill out and send. We have a new way of doing things Then they will send me the audio for that hearing and I'll get it prepared and sent to you. No need to do that on the first hearing with Judge Hayes, I have that one covered. And I'll resend the hearing from May of '18.

I do appreciate it.
