NOW COME[S] Respondent, by and through her undersigned counsel, pursuant to Rule 263(b), SCACR, and hereby move[s] for an extension of thirty (30) days' additional time to file/serve her initial brief and corresponding designation of matter to be included in the record on appeal.

Because of work-related and other time commitments, Respondent respectfully requests that this deadline be extended by 30 days, through November 28, 2022. Respectfully, Respondent believes that this relief is consistent with the interests of justice and will not result in any undue prejudice to any party.

With the extension requested herein, the new deadline would be **November 28, 2022**. According to the undersigned's calculations. Further, Respondent respectfully requests that the Court hold her present initial-briefing/designation-of-matter deadline in abeyance until it acts upon this motion.
