**IT IS ORDERED AND ADJUDGED:**  See attached order (formal order to follow)  Statement of Judgment by the Court:

The Court has received Plaintiff Maybank Holding's, LLC's Motion for Rule to Show Cause and to Reconsider the Amended Order of Judgment and has determined the Defendant is not required to submit an entire copy of the billing entries to Plaintiff's Counsel. The Court has awarded attorney's fees less than the amount requested by Defense Counsel and has determined the award to be \$1,000,000 per the Order filed September 22, 2022. In that order, the court clearly specifically ruled upon 3 of the 6 factors for an award of attorney's fees from Jackson v Speed. In addition, the court finds the amount of time necessarily devoted to the case was in excess of the amount of the award, the professional standing of counsel is excellent as Mr. Buckley has recovered many million dollar verdicts on behalf of clients and here defended such a claim and the contingency of compensation is not applicable here. (Order continues below)

Finally, as the court noted at the hearing, this was "the 3 day trial that took 7 days to try." The court further noted at the end: "I might change my mind ... until its in writing." Accordingly, Plaintiff's Motion for a Rule to Show Cause and to Amend is respectfully DENIED.
