S.C. SUPREME COURT

Attn Courts State of South Carolina.

My name is Nathaniel Shell I am writing in reference to case # 2017-cp-46-01964 file no3000 0555. To get clarification on why my appeal was denied. My Attorney Neal T Phillip, misled me on the court date which he said was Dec 9th. My witness and I sat in his office from 9:00am to about 2:00pm that day; when he said he had received a telephone call from the courts, saying the case was not being heard today, my witness and I was advised by my attorney Neal T Phillip to go home. If you don't hear from me by 4:00pm your witness can return to Pennsylvania. This case won't be heard until next year, however I checked my phone on Dec 10th, and had several miscalls from Attorney Neal T Phillip office. I call the office that afternoon and spoke to his secretary, she said he was in court fighting a good fight for me. He could have asked for an adjournment, but he refused to do that. But set me up for the judge to rule against me. My new Attorney whom I hired to appeal the decision of the common Pleas courts of York Sc, the Goodwyn Law Firm. Of Columbia SC. Filed a motion to get me a day in courts. All three courts denied the appeal. Without an answer just denied I would like for the chief justice of each court please take a look over the motion, and grant me a day in court.
