Dear Clerk,

The settlement agreement in the above-referenced matter includes a Consent Motion to Remand and Appellant's Motion to Vacate. Respectfully, I am inquiring to see if the Court would proceed with remanding the case to the trial court to allow the parties to complete the wrongful death approval hearing, pending consideration of Appellant's separate Motion to Vacate.

I have communicated with opposing counsel, Trey Still, who is copied and understand that he has no objection to this request. Thank you for your consideration.
