Defendants.)

I am requesting a Motion for Extension of the Final Brief due to a misunderstanding of the due date, as I was unaware that the calendar days started automatically when the Court received the supplemental information of my submitted Record on Appeal.

I am also requesting abeyance of submission of the Final Brief until the Judge rules on my previous ^{and present} motion which was a request to receive my Accurate Trial and Hearing Transcripts so that I'm able to adequately write the Final Brief.

I am also enclosing the \$50.00 filing fee.

Thank you.
