Hello,

my name is Erica Bradley, and I am reaching out to you to request an order for a transcript from a court date I had recently because I need it for my appeal for the court of appeals. My case number is : 2022-CP-230-3187, and I had circuit court on October 11, 2022 with the honorable Judge G.D. Morgan Jr as the judge of my case, and my hearing started at 11:00 am. I think I have you all the information that you need. Could you respond back, and tell me how much this would cost me please?

Thank you  
Erica Bradley
