Thank you for your very helpful Letter of October 20. I just wanted to confirm dates as I read in the Rules. Rule 210 reads Record on Appeal is due 30 days after last brief. I believe the last brief is Appellant's Reply Brief filed October 29, 2022, so the Record on Appeal would be due November 28. Rule 211 reads Final Brief is due 20 days after Record on Appeal, so Final Brief would be due December 18. Am I correct in my reading here? Thank you.
