Dear Ms. Kitchings — moments ago, I uploaded to OneDrive the attached filing letter along with a Proof of Service and Volumes I through VIII of the Record in the above-referenced case. Out of an abundance of caution, I am emailing the Court just to be sure that I have, in fact, properly uploaded the documents and the Court has received them.

In addition to the electronic filing via OneDrive, our printer will be sending a bound hard copy of each volume of the Record (along with Compact Discs containing electronic video files) in the mail to be delivered to the Court. Please do not hesitate to let me know if I can do anything else to ensure the Court receives the requested documents.

Very respectfully,

Miles Coleman
