Mr. Charles,

I am working on this transcript, this is my priority. I am on day five now.

One issue I have is with the digital recording. I have had to relisten and relisten many times to digital where I cannot hear.

This issue has gotten better on day four where the attorneys and witnesses are holding a microphone.

Some witnesses have been testifying through Webex which is the same problem.

I hope to have this for you no later than three weeks.

If Court Administration would like to see if someone else can help me that would be great.

Joy,

I hope you're doing well and looking forward to the holidays. Will you please provide us the status of the trial transcript and an estimate on when we'll receive it?

We would really appreciate receiving the transcript as soon as possible to avoid further prejudice to our clients. I know this case was assigned to you in early September and wasn't your responsibility before then, but we're now into November and need to be able to prepare our clients' appellate arguments. If there is anything we can do to help you, please let us know.

Thanks,
Nick

Joy,

I'll reach out to our trial counsel to see if they have a list of the trial witnesses, and will hopefully get back to you shortly.

Thanks,

Mr. Charles,
Do you have a witness list for both sides on this case? This is not attached to anything that the digital recorder has done.
If you can help me it would be greatly appreciated.
Thanks, Joy

Mr. Charles,
I am working on your transcript for Angela Patton versus Dr. Gregory Miller. I just started on this last Friday due to pending transcripts I had after my retirement.
I have completed the pretrial motions for December of 2021; and posttrial motions in February of 2022.

I will start on the nine-day trial today and get this to you as soon as possible. If you have any questions please do not hesitate to contact me.
