Dear Honorable Clerk of Court, Jenny Abbott Kitchings;

I am in receipt of your Court's email of yesterday, 8/24/22 at 8:36am. Therefore, please note I removed the Pro-Legal's share-file link, which was in my 8/23/22 email. Instead, as requested, please find four attachments, containing the corrected *Record on Appeal*. To clarify, that is for our **App. Case No.: 2019-001403 / Karrie Gurwood & Howard Gurwood v. GCA Services Group, Inc. & GCA Services Group of North Carolina, Inc.** We hope this email will now be acceptable, as electronically filed, since my family and I could not find another way to send these large files to you. In your Court's email of yesterday, it was suggested we use the Attorney Information System (AIS). Although, as non-attorneys, we were not able to gain AIS access. And since we are still unable to secure replacement counsel, we don't currently have an attorney (to send the files for us).

In addition to ensuring your Court electronically received the above document, we contracted Pro-Legal of Charleston to physically copy the corrected *Record on Appeal*. Then my husband took time off work to hand deliver the requested six bound copies to your office yesterday, August 24, 2022. Sadly, we suffered continued financial hardship (for both endeavors). But because this appeal is so critical to me (with a lifetime of pain and suffering, expensive medical/pharmacy bills, etc.), we are diligently abiding by your Court's appellate process.

Please know, this email's purpose is also to serve the corrected *Record on Appeal* to counsel for the Respondent. For your record, that legal counsel is Robert T. Lyles, Jr. of Lyles and Associates (Mt. Pleasant, SC).

Thank you so very much for your time and consideration of the above. If you have any questions/concerns, please contact me and/or my husband, Howard Gurwood. We hope you have a pleasant remainder of the day.

Sincerely,

Karrie Gurwood, Plaintiff
