Dear Court of Appeals:

1) Counsels letter does not comply with the requirements of Rules 240 and 267 SCRAP and should not be considered but a thought even improperly delivered cannot be erased so I am submitting this quick response and will submit a formal response shortly.

2) November 11, 2022 was Veterans Day a Holiday. The rules provide that when a pleading that is due falls on a Holiday the time is extended to the next business day which was Monday the 14th of November 2022.

3 Once the Amended Initial Brief was filed (counsel was informed via e-mail at least a week prior to its being filed)that it would be filed) the Initial Brief was replaced by the Amended Initial Brief. The Court's letter pertaining to the Initial brief was written without notice or subsequent to the filing of the Amended Initial Brief.

4) I thought it as a good ideal to incorporate the Court's request for technical changes directed at the Initial Brief should apply to the Amended Brief and voluntarily incorporated them into the Amended Brief to avoid the necessity of the Court having to issue a letter for correction again.

5) This response will be incorporated into a formal response according to Rules 240 and 267 SCRAP.

Thank you .

Charles Houston
