In Re: Annie P. McCall, Deceased,

Jerry Allen McCall V. Terry McCall

Appellate Case # 2022-001238

Trial Court Case No: 2022-CP-23-00792

Dear Clerk of Court ,

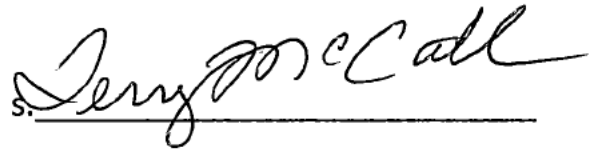

I filed my notice of Intent to Appeal this case, and it was sent back down to the lower Court due to filing fee's not paid. But however I had started this case with a filing fee waiver, if the Court would look into its records. And If the Court needs another Motion to Proceed In Forma Pauperis, I have no problem with preparing another document and submitting it back to the Court.

But I thought the rules were the same if I could show where my financial status was in poverty level, I would be allowed to proceed and defend the Estate without filing fee's. And I am at poverty level. I only get \$841.00 dollars monthly to live on, and to deny me my right to defend my mothers Estate because of my poverty,

would be denying me due process, equal protection of the law.

So let me know if I can send another Motion to Proceed In Forma Pauperis and get this Appeal Re-Instated Please, Thank You Kindly,

Sincerely,
